Create unique lawn & garden art such as "pot people" & lighthouses using terra cotta pots & recycled items. Create a "pot person" that will make you smile, laugh, & help you enjoy your porch, garden, or portal. Build & embellish your lighthouse to entertain your garden fairies & gnomes & to remind you of the beach or waterfront.

This workshop is appropriate for anyone 6 years (accompanied by an adult) & older. These items would make good Mothers/Special Person Day gifts. Bring any items to personalize your project. Note: hot glue will be used so caution is advised.

This workshop is Sponsored by the Manzano Mountain Art Council which is supported by grants from NM Arts ARP and the NM Arts Military Initiative.
